PSA Fall Seminar

There will be a PSA Fall seminar held on Sunday, September 18 at the Kettering Recreation Center in Kettering, OH. The featured speaker will be master-rated coach Gerry Lane. For more information, contact Angela Riviello at ariviello98@yahoo.com or visit www.skatepsa.com.

SEGL Competition Update

You may be planning to attend the 2006 Winter Olympic Games in Turin, Italy. If not, please join Louisville Skating Academy for the 2006 Southern Eastern Great Lakes (SEGL) Competition. SEGL will be held on February 24-26, 2006 at Iceland Sports Complex in Louisville, Kentucky. Iceland offers two full size ice surfaces, a concession area and a newly added Italian restaurant and bocce court upstairs. LSA is a growing club with more than 120 USFS members and approximately 400 basic skills members. Events will include basic skills through senior free skate. Louisville is centrally located, and Iceland is easily accessible from all major cities in the eastern great lakes region. LSA is honored to be hosting this major event next year and is excited to show the region what the club has to offer. Contact Rebecca Hatch-Purnell at hatchpurnell@insightbb.com for more information.
