International Competition Results:

Congratulations to our SEGL members who have been representing the United States in international competitions this fall.

Lily Pixley & John Salway, Fort Wayne ISC, 5th place Junior Pairs at the NACS Kansas City and 3rd place at the Junior Grand Prix in Estonia.

Claire Farrell & Ashley Deavers, Birmingham FSC, 8th place Junior Dance at the NACS Pierrfonds.

Jordan Brauning, Northern Kentucky SC, 7th place Junior Men at the Junior Grand Prix in Andorra.

The Birmingham FSC will be hosting the 2007 Midwestern Championships next November 16-18, 2006.

Meeting notes: The SEGL Council held a small, brief meeting during the Tony Todd Invitational to finalize a couple of items. The SEGL qualifying advancement award requirements will remain the same. The awards will be given to member club skaters who place in the top four at regionals or sectionals and qualify for junior nationals, sectionals, or Nationals. All the grant guidelines are available on our website at www.seglskate.org.

The council members present voted that the SEGL Council will receive 15% of the entry fees from the host club for the annual Invitational competition. The last item, possibly purchasing radios for using the new judging system, was tabled until the new judging system is fully adopted.
